

I have just been made aware of the LPFM broadcast service, which could take priority over the FM translator service if expanded. I am concerned that this would potentially take away my local K-LOVE radio signal, heard in Austin on 106.3 and on 92.1 FM.

I listen to K-LOVE daily because it is the only contemporary Christian music station on our Austin airwaves. If this were taken off the air I feel it would be a detriment to the local community. The Austin public deserves the right to listen to the K-LOVE radio network, and our city also needs quality Christian programming on our airwaves.

Please do not take K-LOVE away from our local community.

Sincerely,

Kirk Lockhart
